1. China is applying to become a Community Resilience Partner as part of the Maine’s commitment to reduce carbon emissions and prepare for the effects of climate change. CRP partners become eligible for many state grants. Community members have suggested the following projects for China. **Please select your top three priorities** on the list. The China Select Board thanks you for your participation!

- Address erosion / pollution at S... 190
- Solar panels for the municipal b... 83
- Improvements to / expansion of... 109
- Construct sidewalks on Main Str... 92
- Transportation for senior citizen... 133
- Digitize Town Office records to r... 101
- Charging station for electric veh... 37
- Other 16
