

Thurston Park Committee
Minutes of October 9, 2025

The meeting was called to order at 6:33 pm

In Attendance: Steve Nelson, Sonia Nelson, Tim Hatch, Trevy Bumps, Jen Smith

Once again, we discussed the Thurston Park 3-Miler and Fun Run which will take place at the park at 2 pm on Sunday, October 12, 2025. Scott Monroe is in charge of the race and volunteers. Please if you are available, be at the park by 1 pm for final set up and to register runners.

Steve Nelson is working on getting the estimates for paving the north entrance hill. Once we have at least 3 estimates we can bring them to the select board again for discussion. Jen has not heard back from the Albion Select Board regarding working with us on this project.

The Select Board review the estimates for the Ridge Trail work. They decided to go with Reardon Construction. Steve will notify them and see when they will be able to complete the work. The trail has been marked and is ready for them to come in.

We discussed the plans for the TIF application. We would like to put in for the handicapped trail construction. We need to determine a suitable location for this trail and mark it, then we will need to get estimates. This trail will be more expensive to construct as it will need to be wider, level, compacted, and properly drained to prevent puddling and washouts. Jen is working on getting more information on this. Other plans for TIF include improving portions of Trail 1 and 2 with resurfacing and drainage to prevent washouts and trim work. Steve will work on getting estimates for these projects.

The meeting was adjourned at 7:30 PM.

The next meeting will take place on Thursday, October 9, 2025 at 6:30 pm in the portable building at the town office.

Respectfully submitted,
Jeanette "Jen" Smith
